To Whom it may concern,

We have been on the journey of major house renovation for the past year while living in the property.

This is never easy and requires team work with and co-operation between all trades on site to be successful.

We have been delighted to have Kim Hobson and his team of professional painters at Trade Painters Ltd on site. They have been adaptable, cooperative and accurate. Kim has been able to accommodate our unreliable time frames and maintain an extremely high standard of finish within tight time frames.

We have no hesitation in recommending Kim and his team to anybody looking for a professional painting project to be completed to a high standard.
